POWERED BY

BTS now makes it easy to pay for your motor vehicle purchase using the cryptopmts.com solution powered by 6DOT50. Our fully integrated solution enables your dealer to send you a 6DOT50 payment link. No bank account required!

What is 6DOT50:

6DOT50 is a voucher based transactional account using Digital Rand (DZAR) vouchers to pay for goods and services from more than 80 000 stores and online retailers across SA. DZAR can be purchased using any one of 8 cryptocurrencies, including BTC. Simply BUY DZAR and use your DZAR to pay for your vehicle purchase.

Why Choose the 6DOT50 voucher payment option?

- Security: With advanced encryption, your vehicle transactions are safe and confidential.
- Transparency: All vehicle transactions are recorded on the blockchain, ensuring transparency and reducing disputes.
- Efficiency: Experience the speed and cost-effectiveness of blockchain technology for buying vehicles.

## How 6DOT50 Works for Vehicle Purchases:

- No bank account required: 6DOT50 is not a bank or mobile money solution. Your mobile number is your 6DOT50 account number. No paperwork and no proof of identity is required to open your 6DOT50 account.
- Easy payment: Your dealership is already integrated to accept 6DOT50 Digital Rands as payment. Simply click on the request for payment link from your dealer, login to your 6DOT50 account and confirm your transaction. 6DOT50 will pay your dealer directly and confirm your payment.
- Transparency: All applicable fees affecting you will be highlighted for you to accept before you transact.
- Transaction history: Enjoy free and secure access to your full transaction history.
