YOUR GATEWAY TO EFFORTLESS CRYPTOCURRENCY TRANSACTIONS

Dear Dealership Partner,

BTS brings you the world's first fully integrated crypto payments solution for motor vehicle dealerships. Join our network and enjoy seamless access to an untapped crypto customer base without you having to take any crypto related risks.

BENEFITS FOR YOUR DEALERSHIP:

SEAMLESS INTEGRATION:

Simply select the 6DOT50 cryptopmts option on Seriti, provide client with a dealer invoice and let us take care of the rest.

MEET BTS:

Think of BTS as your trusted and integrated crypto partner. We will ensure that you get paid in SA Rands while we help your customer use their cryptocurrency to pay you.

CRYPTOCURRENCY SIMPLIFIED:

Worried about the intricacies of cryptocurrency? Worry not. All transactions on 6dot50 are conducted in South African Rand (ZAR), removing any concerns about cryptocurrency market fluctuations.

BENEFITS FOR YOUR DEALERSHIP

Expanded Customer Base:

More than 7.7 million adults in SA own a cryptocurrency account. Enjoy access to this untapped customer base by simply registering as a 6DOT50 merchant.

Enhanced Trust:

BTS has integrated with Seriti and 6DOT50 to ensure a smooth payment process. Simply select the new 6DOT50 payment method and your customer will enjoy an easy way to pay you using any one of 8 cryptocurrencies.

Streamlined Transactions:

6DOT50 has processed millions of Rands in crypto to merchant transactions ensuring that merchants do not take any crypto related risks while enabling crypto users to easily access goods and services from over 80 000 stores and online retailers.

Promote Cryptocurrency:

Embrace the future of finance without any complications. Transactions are conducted in ZAR, safeguarding your dealership's financial stability.
